### **Construction work scheduled for Uhelekawawa Canal Bridge in Kapa'a Jan. 11 to July 23**

KAPA'A – The Department of Public Works is announcing that construction work on Uhelekawawa Canal Bridge in Kapa'a is scheduled from Jan. 11 to July 23, weather permitting.

Work is scheduled on weekdays, from 8:30 a.m. to 3:30 p.m.

The scope of work includes various bridge repairs and upgrades, resurfacing and pavement work, vegetation removal, and erosion and traffic control.

Starting Monday, Jan. 11, crews will begin erosion control measures. Lane closures are expected to start on Jan. 26. One lane of Kūhiō Highway near Waipouli Beach Resort will be closed during construction and may cause delays. Please allow additional travel time in anticipation of these delays.

Residents should expect some noise associated with construction activities. On-street parking will be prohibited during hours of construction work. Illegally parked vehicles may be towed, if necessary, at the owner's expense. Motorists shall use caution and observe and obey all traffic controls and posted signs.

Should you have any questions or concerns before or during the construction, you may contact Marvin Krael of Global Specialty Contractors, Inc. at 808-843-8881.
